

NOW COMPARE THE EDUCRATS' REPORT CARD WITH OURS as reflected by some of the letters we've received from subscribers who have written to us after reading the "YOUR CHILDREN'S FUTURE PROGRAMS" over the past three years. Then you decide --

WHO IS ON YOUR SIDE -- ????????????

"...[Your letter] is like the dawn of a new day after a dark night." CA

"...you are a fountain of information. Hope you become an artesian well." CO

"The knowledge and understanding I have learned from you and the other source material you have recommended have greatly encouraged me." NY

"... As I watched my own children go through the school system of California and saw the light in their eyes go out, I was frustrated and upset at their apparent lack of true education." CA

"...She has started the home education but is unsure of herself and need the support that your literature seems to give. Two young minds hang in the balance." CA

"...the kid's future is our future, like it or not." CA

"...People are thoroughly brainwashed and resigned to their presumed lot in life. How sad." CA

"...to keep growing mentally would be my legacy to my grandchildren." CA

"...Again, your letter was like a breath of spring. We thank you for that." OH

"...We are really going to miss reading 'YCF in the 21ST Century' every two weeks. Hope you will soon be able to publish the propoganda techniques, data cards and other projects you have mentioned." WY

"...keep writing, we need still more help." MI
