

Will The Real You Please Stand Up?

Submit to
pressure
from peers
and you move
down to their
level.

Speak up
for your own
beliefs
and you invite
them up to your
level.

If you move
with the crowd,
you'll get
no further than
the crowd.

When 40 million
people believe in
a dumb idea,
it's still a
dumb idea.

Simply swimming
with the tide
leaves you
nowhere.

So if you
believe in
something
that's good,
honest and bright—
stand up for it.

Maybe your peers
will get smart
and drift
your way.
